

Please, for everyone's safety and security, we ask that you respect our rules when visiting Horning's Hideout

~~~ This document consists of 3 pages. Please make sure that you read all 3 pages thoroughly! ~~~

THE GOLDEN RULE... Be respectful to your neighbors and their campsite. Would you want a drum circle next to your head at 4:00 AM? Be kind to each other, share space, and help someone else who is in need....

NO DOGS ALLOWED DURING SPECIAL EVENTS! We will not tolerate dogs in either the parking lot or the venue itself, during concerts or events. We just can't deal with the impact and risks involved with having your dog at the show. Unfortunately some folks bring their animals to events anyway and leave them in their car. Animal Control will break your car window to liberate animals as well as remove any dog left tied to a car. All dogs found tied up outside of the concert site will be immediately impounded by the local SPCA - THE OWNERS WILL BE CITED IN ALL CASES!

In addition, there are peacocks that run wild on the site - and they don't like dogs if you can believe that!

Limited local kennel housing will be available with advance registration for a reasonable fee. Please call one of the following locations to be responsible about your dog....

Rock Creek Kennels - (503)-645-2912

Sunset Kennels - (503)-648-4331

Schroeder's Den - (503)-614-9899

Hillsboro Vet Clinic - (503)-648-4117

A Pretty Pets - (503)-359-7542

Companion Pet Clinics - (503)-693-1063

Minoggie Kennels - (503)-621-3597

PARKING DRIVERS - PLEASE FOLLOW THE DIRECTIONS GIVEN TO YOU BY PARKING PERSONNEL. NO PARKING ALONG PUMPKIN RIDGE ROAD AT ALL. NO PARKING IN THE BOX OFFICE LOT EXCEPT TO EXCHANGE TICKETS FOR WRISTBANDS AND GET SEARCHED. NO PARKING ON OTHER PROPERTY IN THE SURROUNDING NEIGHBORHOOD. YOUR VEHICLE WILL BE TOWED IF YOU DO NOT OBSERVE THESE RULES.

VEHICLE SEARCH Due to overwhelming security concerns, all vehicles are subject to search before entering the property. If you refuse to have your vehicle searched you will be turned away- no exceptions. For security reasons we will not be allowing any oversized rental type trucks onto the property. The Box Office will be set apart from the concert grounds. You will be processed in your vehicles at the Box Office Lot and sent down to the parking area.

NO OUTSIDE ALCOHOL Due to restrictions in our insurance policy we are required to enforce this alcohol issue. A variety of microbrews, traditional beer as well as wine will be available with proper ID.

**\*ID IS MANDATORY TO PURCHASE ALCOHOLIC BEVERAGES\*.**

Please note that vehicles will be searched upon entering the campground and alcohol will be confiscated.

NO WEAPONS, NO FIREWORKS, NO NITROUS OXIDE These items will be confiscated and violators will be promptly removed from the venue.

**NO ILLICIT DRUG USE OR SALES** This is in compliance with Federal and Oregon law, and it will get your wristband cut off

**RE-ENTRY POLICY** Patrons will be permitted to exit and re-enter the event if they do so according to event requirements. We do encourage patrons to bring enough supplies for the entire event. During times of heavy incoming traffic, exiting vehicles may experience delays. A Cutoff Time for Re-Entry will be posted at the gate and visible upon exit. Vehicles returning after the Re-Entry Cutoff Time will not be admitted but will be permitted to park over night in the upper lot. However, patrons will be required to stay in their vehicles, no camping, and no cooking allowed. Intoxicated persons will not be re-admitted. Your vehicle will be searched any time you enter the site. All persons must have the proper event ticket, pass, wristband and ID or they will be required to purchase another ticket.

Main Gates will open at 9AM Friday through Monday

**MEDICAL & SAFETY** There are medical locations. Please notify any event staff member you can locate or any member of the Staff with a radio to report any medical or security issues.

**SAFETY ISSUES**

- Drink plenty of water!
- If you're going to consume alcohol, please do so wisely.
- Wear plenty of sunscreen.
- Carry and use a flashlight at night. Bring extra batteries.

**NO OPEN FIRES – NO CANDLES!** Campfires and candles are strictly forbidden. Safe camping stoves are permitted, though in dry seasons there may be designated cooking areas. Plenty of food will be available for sale.

**TENT SAFETY** Cover your tent stakes with inverted plastic water bottles so people don't cut themselves on the sharp edges. Mark the outside of your tent with a piece of cloth so you can find your tent amongst the many others. Bring a small lock to increase security of your belongings. Lock all valuables in your car! We cannot be held responsible for stolen items.

**CAMPING** There is no “Car Camping” available. Please do not slow down in-bound traffic with requests to “car camp” or go to the spot you were in last year- we simply cannot accommodate these requests and still fit everyone in.

**RV CAMPING** Recreational Vehicles, RV Trailers and Buses will be parked in a separate area. **RENTED BOX VANS WILL NOT BE ADMITTED.** There are no electric hook ups or dump stations available on site at all- not even for Artists and Crew. The RV Parking Lot is limited in size. Space in this lot is available on a first come first served basis only. We regret that due to size limitations once the RV

Parking Lot is full that all RVs and trailers will be parked in a remote lot. Leveling shims (boards or similar) are recommended.

ADA / ALTER ABLED CAMPING We do our best for our physically impaired patrons. The ADA Camp will be located just past the rim of the amphitheater Bowl

OTHER CAMPING INFO Horning's Hideout offers primitive camping only. The camping areas will be separate from the parking areas. Drinking water is also available for no fee. A variety of independent vendors will be selling food and crafts for the duration of the event. Ice and bottled water will be available for purchase. An ATM will be onsite. We encourage patrons to bring enough cash to last the three-day weekend. Portable toilets and hand washing stations are located throughout the Hideout. Telephones will be available to the public for local calls.

BEER AND WINE GARDEN You can purchase our reasonably priced selection of quality micro-brews and wine and sit on the slope of the amphitheater in full view of the stage. We cannot allow outside alcoholic beverages onto the property. We ask that you drink sensibly and remember to consume copious amount of WATER so that you do not dehydrate (we expect it to be very hot at this festival). It would be a bummer if you dehydrated and slept through any of the nighttime music.

VENDING Our Craft and Import Village will be available for your enjoyment as well (massage is also available). Please stop by and visit the folks who work hard to make a difference in our world with their unique cottage businesses. PLEASE NO UNAUTHORIZED VENDING. This will be strictly enforced.

DEPARTURE Everyone will be required to leave by 12 noon the day following the show.

Please take some time to help clean the property. If we are to be invited back we'll need to LEAVE ONLY FOOTPRINTS.

Please, these rules are for your health, safety or as a result of Federal/Oregon Law.

Please help us to keep our ability to host these kinds of events by respecting each of our rules and each other.

Breaking these rules may result in your wristband being cut and you being escorted off the property or worse.

Also please, to help out the event and the planet: RECYCLE! Take all garbage to the giant garbage containers located near your campground (it helps us maintain a clean and safe environment for you).

HAVE FUN!! Here at Horning's we work very hard so you can have a truly memorable event, something that you will always remember with a smile in your heart. That's what this place is all about, so please, enjoy!

THANK YOU!!
